

ARCHDIOCESE OF NEW ORLEANS LEADERSHIP WORKSHOP

Discerning the Call to Serve

Understanding the universal call to holiness and our call to serve the mission of the Church in the world.

WHO? Anyone desiring to discern the personal call to serve the parish and community...

WHY? To awaken the desire to identify how God is calling each person to serve in a particular and personal way. . .

HOW? The workshop will address the process of personal discernment and include the use of the Clifton StrengthsFinder gift assessment. It also will offer the opportunity for participants to discuss their unique strengths and learn about the strengths of others. It is hoped that participants will learn practical ways to apply personal gifts at work, in personal relationships, and through volunteering time in service to the community. Attendees are encouraged to complete the online assessment prior to the workshop.
